A locker that can revive a villain

Can a villain be redeemed?
You might think a villain can't be redeemed. After all, they're sinister and twisted and think killing people is a post-dinner dessert choice. But even villains are people, and, no matter how coal-crusted it gets, they have a heart buried somewhere inside their ribs.

How do you justify a villain's redemption?
Whatever the plot point for justifying your villain's redemption,you can create added depth to their motive by linking it to an old wound in his past(you can use Becca and Angela's Emotional Wound Thesaurus to help with this). Types of Redemption Life-or-Death Redemption

What is a villain redemption arc?
A character arc defines the change a character goes through during your story. Typically a hero or protagonist will start from a lower point (flawed) and then, as the story tests them, they'll build up to overcoming their flaw and defeating the villain.

How do you make a good villain?
Make the change of heart genuine by giving your villain a solid motive, let the change grow with the story, and remember that foreshadowing is key to bringing your reader along with you. Sacha is the author of the #1 bestseller for writers, 13 Steps To Evil - How To Craft A Superbad Villain.

Is a bad guy on a path to redemption the same as a villain?
A classic villain will spend the entire plot descending into the pits of evil,where eventually he's defeated - in other words,it's a straight-shot into the hell mouth. But a bad guy on a path to redemption doesn't follow the same arc path. Note the diagram above is illustrative,not literal.

How did Richard convince Locke to monitor young Locke off-island?
He then tracked him to the Others' camp and spoke with Richard,convincing him to monitor young Locke off-island. ("Because You Left") ("The Lie") ("Jughead") Locke fulfills his destiny and moves the frozen wheel back onto its axis.
