

# Acciona battery station Lebanon

How does Acciona's battery station service work?

ACCIONA's battery station service makes it possible to buy a Silence motorcycle without the need to purchase the electric battery that powers it, reducing the cost of acquiring the vehicle by nearly 40%. This system allows customers to have a monthly battery subscription.

How many battery swap stations will Acciona have in Spain?

ACCIONA's network of battery swap stations for Silence vehicles will have 100 charging stations in the main Spanish cities by the end of the year, with more than 1,000 battery swap units. The accelerated deployment of battery stations for Silence vehicles is due to the brand's leadership in Spain for four years in a row.

Does Acciona sell in Europe?

Acciona is teaming up with Nissan to market the vehicle in Italy and France, and plans to reach other European markets, including Germany, starting from September. (\$1 = 0.9233 euros) (Reporting by Pietro Lombardi; Editing by Aislinn Laing and Mark Potter)
