

Are the Falkland Islands self governing?

The Falkland Islands are a self-governing British Overseas Territory. [73]Under the 2009 Constitution,the islands have full internal self-government; the UK is responsible for foreign affairs,retaining the power "to protect UK interests and to ensure the overall good governance of the territory",. [74]

What is the nationality of Falkland Island?

In the 2012 census,a majority of residents listed their nationality as Falkland Islander(59 per cent),followed by British (29 per cent),Saint Helenian (9.8 per cent),and Chilean (5.4 per cent). [154]A small number of Argentines also live on the islands. [155]

Are Falkland Islanders British?

Immigration from the United Kingdom,the South Atlantic island of Saint Helena,and Chile has reversed a population decline. The predominant (and official) language is English. Under the British Nationality (Falkland Islands) Act 1983,Falkland Islanders are British citizens.

What is the economy of the Falkland Islands?

The primary sector of the economy accounts for most of the Falkland Islands' gross domestic product,with the fishing industryalone contributing between 50% and 60% of annual GDP; agriculture also contributes significantly to GDP and employs about a tenth of the population. [142]

Could Falkland Island be a conflict between Britain & Britain?

Since Britain's newly elected Labour Government banned similar oil projects in the United Kingdom,this created the prospect for a potential conflictbetween the Falkland Island's government and the British government.
