

# Alstom power inc usa Macao

What role does Alstom play in the transportation industry?

The report outlines Alstom's key role in developing and modernizing the United States' transportation network by offering fully integrated rail and transit system projects. Report highlights include:

Why should GE choose Alstom Power?

By combining the strongest attributes of GE's power generation technologies, services and expertise with Alstom Power's technology and geography, the global utility sector will benefit from a world-class supplier of total power plant and life cycle solutions that can support equipment from multiple suppliers.

Where is Alstom located?

Alstom develops and produces signaling and infrastructure products and solutions for Class I railroads and transit agencies at locations in Rochester, NY, Pittsburgh, PA, Louisville, KY, Jacksonville and Melbourne, FL, and Grain Valley and Warrensburg, MO.

Where is Alstom manufactured?

Alstom manufactures a broad range of rolling stock and components at facilities in Hornell and Plattsburgh, NY, Pittsburgh and West Mifflin, PA, and Pittsburg, CA while sites in Kanona, NY, New Castle, DE, Naperville, IL, and Vallejo, CA are centers for refurbishment and modernization.

How much does Alstom contribute to the US economy?

An analysis of its activities in fiscal years 2022/23 found that Alstom contributed over \$700 million to the U.S. GDP, and nearly 10,000 direct and indirect jobs, demonstrating its status as a leader in America's world-class manufacturing sector, and as the number one private rail operator in the country.

How many vehicles has Alstom delivered?

To date, Alstom has delivered more than 12,000 new or renovated vehicles for U.S. customers and more than 50% of signaling for North America's railroads. Alstom's extensive U.S. footprint includes production and services sites from coast to coast and continues to expand.

Also known as: Cegelec, GEC Alstom. Products include: Turbines, generators, motors, switchgears, protective relays, fuses, boilers, transformers, turnkey. Manufactures Sales Office
