

Assembly Solar Power Generation Scam Case

What was the 2013 Kerala solar panel scam?

The 2013 Kerala solar panel scam occurred in 2013, when a solar energy company, Team Solar, in Kerala, India, used two women to create political contacts with links including to the Chief Minister's office.

Are solar panels a scam?

That is, of course, also a scam. To protect yourself from clean energy scams: Know that "free" or "no cost" solar panel offers are scams. The federal government does not install solar systems in homes for free. If you're considering whether solar energy is right for you, check out the Department of Energy's guide for homeowners and learn more.

Did a company defraud solar panel owners?

A company which defrauded solar panel owners by selling them goods and services they did not need has been ordered to pay back its victims hundreds of thousands of pounds.

Did a gang sell solar panels to elderly people?

Six men have been jailed over a £17m fraud involving selling solar panels to elderly, retired and vulnerable people. The 1,500 victims were "manipulated" to buy panels with the promise they would get their money back from investments, the Serious Fraud Office said. But the jury heard the gang spent the cash on sports cars and holidays.

Would DC Solar defraud new buyers?

DC Solar wouldn't just defraud new buyers to pay earlier ones. By holding itself out as a legitimate solar company, it would give all of them--new and old--cover to drain millions of dollars of tax credits from the U.S. Treasury. The American taxpayer, that is, would subsidize the scam.

Are there a bunch of solar home energy cheats from Liverpool?

It was for an article I wrote in January 2020 about a bunch of solar home energy cheats from Liverpool called ESE Group Limited- "one of Britain's largest suppliers of green energy solutions", according to its website.

A contraption he'd rigged up in his driveway--a car trailer decked with solar panels and a heavy battery--got the attention of people with real money. Carpoft could ...
