Manuals and User Guides for Pylontech Extra 2000 Lithium-ion Battery. We have 1 Pylontech Extra 2000 Lithium-ion Battery manual available for free PDF download: Product Manual

Hi, First post. I've inherited a set of 4 extra2000 2.4kwh pylontech batteries, and struggling to find any info past a user guide. Does anyone know where I can source some of the black two pole connectors to daisy chain the outputs together please?

I have a set of 2 x Pylon Technologies Extra2000 Lithium batteries (not USB2000), which use RS232 intererface, for "network communication",. Does anybody know how/if I could connect those up to a Venus device, for monitoring of the internal battery BMS?

Extra 2000 LFP Details. Shown in the table below are the key characteristics of the battery in question. Note: We would strongly advise you double check the specifications of the battery ...

Extra 2000 LFP Details. Shown in the table below are the key characteristics of the battery in question. Note: We would strongly advise you double check the specifications of the battery and warranty conditions in detail before you purchase to determine its suitability for your usage case, as things do change and often without much notice.
