

# Commercial solar panel system Guernsey

Our TLGEC team in Guernsey have just installed this 309 panel, roof mounted commercial solar PV system at the Guernsey power station, Northside, Vale. We worked for Guernsey Electricity Limited on this project, which is the largest ...

The Little Green Energy Company have just installed 309 roof mounted solar panels with Guernsey Electricity Limited on the power station, Northside, Vale, creating the largest solar array in the Channel Islands, generating over 100kWp of power.

Solar panels can help lower your electricity bills and they only require daylight to work, even if the sun is not shining you are still getting free electric! Here at Island Electrics Ltd, we can help consult and advise on what would be best for your property as well as look after your installation with full servicing.
