

Cost of cleaning solar photovoltaic panels

How much does solar panel cleaning cost?

Solar panel cleaning costs between £4 - £15 per panel. The total solar panel cleaning cost will be affected by several factors, listed below. The biggest influence on price is whether your solar panels are on the ground floor or on upper floors. The higher the panels, the more expensive they will be to clean.

How to clean solar panels?

Step 2: Choose the best approach: If your solar panels are on the roof, consider using a telescopic window cleaning pole to clean them from the ground instead of using a ladder. Step 3: Mix your cleaning solution: In a bucket of warm water, mix a small amount of mild detergent or use a specialised pre-mixed solution.

How often should you clean solar panels?

Experts recommend that you should clean your solar panels every 6 months. It is particularly important to have your panels cleaned if you notice that average energy production levels are dropping. What's involved in cleaning solar panels? The price of solar panel cleaning includes labour, materials and transport to your property.

How long does it take to clean solar panels?

The total time it takes to clean your solar panels depends on the location of your solar panels and how many need to be cleaned. Small, ground-floor set-ups can take around half an hour to clean. Larger solar panel banks or those mounted above the ground floor (on roofs, for example) can take between 1-2 hours to clean.

Do solar PV panels need to be cleaned?

That said, most solar PV panels in the UK will not need any heavy-duty cleaning because regular rain will wash most dirt and grime off the surface, dispelling one of the myths about solar being difficult to clean.

Can a solar panel be cleaned 'near me'?

If you're looking for solar panel cleaning 'near me', our local service includes any roof panels within a 60ft (20 metre) range from the ground, provided there's a clear line of sight. We can work at an angle and over ledges or porches with our extendable poles. Essentially, if you can stand and point at the roof panel, we can normally clean it.
