EG4 the battery or EG4 the inverter? The inverter would be useless here since it's split phase, not single phase 230V. The battery has alternatives here if you want rack mounts, such as the SOK.

OverviewHistoryGeographyPoliticsMilitaryEconomyDemographicsCultureVarious forms of evidence show the earliest settlers of the Pitcairn Islands were Polynesians who occupied Pitcairn and Henderson for several centuries until the islands were abandoned: Henderson most likely before the 16th century and Pitcairn in the 17th or early 18th century. The islands were uninhabited when they were discovered by Europeans.

The EG4 18kpv is a 12kw hybrid AIO. See what brands you have available and look at their 12kw hybrid AIO's. My only recommendations would be Deye and SunSink (which ...

The EG4 18kpv is a 12kw hybrid AIO. See what brands you have available and look at their 12kw hybrid AIO's. My only recommendations would be Deye and SunSink (which is made by Deye). SunSink will have better local support. And you can purchase Deye on line to be shipped anywhere.
