Who is enericap power industries?

Enercap Power Industries LLC, incorporated in Dubai, UAE, is a wholly owned subsidiary which is the licensee distributing encapsulated capacitor-based stationery energy storage including Enpack (utility scale), Encap (backup and telecom), Enwall (residential) and Ensega (RV, boating, consumer).

What is enericap energy storage?

Our groundbreaking energy storage solutions mark the dawn of a new era in energy storage. Unlike chemical batteries, Enercap's storage technology does not degrade, has a longer life, operates in a wider ambient temperature range, and operates at 100% depth of discharge, coupled with an impressive efficiency rate of 99.1%.

What products does enericap offer?

Enercap's current portfolio includes advanced energy storage, next-generation power control systems, ultra-fast EV charging stations and long-range, fast charging, EV storage systems.

What does Bilal do at enericap holdings?

Bilal is the Chief Marketing Officer for Enercap Holdings and is responsible for the sales, marketing and commercialization of the group in fulfilling its vision to becoming a market leader in the energy storage, power electronics and energy management industries.

Who is enericap?

Enercap manufactures and globally distributes utility scale, backup, residential, telecom, microgrid, RV, boating and consumer applications solutions. \*conditions apply.

Why should you choose enericap?

At Enercap, we believe that innovation holds the gateway to a future that is both clean and efficient. Our groundbreaking energy storage solutions mark the dawn of a new era in energy storage.

Enercap's innovative batteries offer a viable solution to these pressing challenges, providing a cleaner, more efficient alternative to conventional battery technologies. The company announced its expansion into ...

solutions, offering reliable, scalable, and sustainable storage solutions that can be ...

Enercap Holdings has invented electrostatic, encapsulated-capacitor based energy storage, as an alternative to chemical storage. Enercap's electrostatic storage delivers magnitudes better performance than chemical batteries, across all applications from AA rechargeable cells to MWh grid storage and long-range, fast-charging EV storage.

Enercap Power Industries LLC, incorporated in Dubai, UAE, is a wholly owned subsidiary which is the licensee distributing encapsulated capacitor-based stationery energy storage including Enpack (utility scale), Encap (backup and telecom), Enwall (residential) and Ensega (RV, boating, consumer). Enercap Power also distributes Enseries products ...
