Formerly administered as part of the British Crown Colony of Mauritius, the British Indian Ocean Territory (BIOT) was established as an overseas territory of the UK in 1965. A number of the islands of the territory were later transferred to the Seychelles when it attained independence in 1976.

The flag of the British Indian Ocean Territory (BIOT) is similar to the flags of other British dependencies and colonies as it has the Union Flag in the upper hoist-side corner. The palm tree and crown are symbols of the Indian Ocean Territory.
