

Eritrea xendee corporation

What is xendee?

XENDEE is the world's most awarded Microgrid Decision Support Platform for certifying the resilience and bankability of distributed energy systems.

Will xendee develop an EV charging infrastructure project?

More than 80% of Xendee 2024 Commercial EV Charging Survey respondents said their organization will develop at least one EV charging infrastructure project within the next five years that they wouldn't have without the Bipartisan Infrastructure Law (BIL) and Inflation Reduction Act (IRA) incentives.

What is xendee's proposal?

Xendee's PROPOSE is a catalog driven proposal tool designed to win deals fast and pass projects to engineers effectively. Propose Solutions-> With DESIGN, quickly model detailed power and thermal flow in your microgrid/DER network together with financial constraints. Design for Optimal Performance->

Xendee's Modeling & Engineering Services: Your Partner for Complex Energy Projects At Xendee, we recognize that every energy project brings unique challenges, from local data intricacies to...
