

FI-638783 - PEC: weco@pec-legal - Registro Pile e Accumulatori IT18020P00004707 - Reg. Raee IT18020000010253 Proudly developed by Kjana Digital Services Notifiche

For reliable operation there are minimum numbers of batteries required for different Victron inverters. Please contact your battery supplier for these specifications.

Weco, an Italian battery manufacturer, has unveiled a new energy storage system for residential applications. The 5K0 battery is available in two versions called 5K0 Pro and 5K0 Smart,...

RTE is conducting a pilot project, called Project RINGO, which will see just under 100MWh of battery storage deployed across three French sites that act as virtual transmission assets. Many of France's island territories overseas have sizeable battery storage systems paired with solar PV plants and the country has pioneer low carbon capacity ...

Among them is WeCo, a family-owned Italian firm based in Scarperia, 30km north of Florence, which has experienced rapid growth since its 2015 launch. WeCo imports and markets lithium-ion battery energy storage systems (Bess) that are produced by a Chinese subsidiary.

The WECO XP is a dual voltage home battery with long product life, wall mounting, or stackable per 5 kWh modules. High capacity due to expandible and simple configuration. Wireless monitoring for real time intervention and maintenance.
