What is solar & storage live Zurich?

We're excited to announce the launch of Solar &Storage Live Zurich! Due to the increased demand in Europe,we decided it's time to create another forward-thinking,challenging and exciting renewable energy exhibitionthat celebrates the technologies at the forefront of the transition to a greener,smarter,more decentralised energy system.

Is solar & storage live coming to Switzerland?

We are thrilled to announce that Solar &Storage Live is coming to Switzerland,marking another milestone in our journey.

When is Switzerland's largest solar & storage trade exhibition?

Join us in Zurich on 17th &18th September 2024,for what's set to be Switzerland's largest solar &storage trade exhibition. The event will convene key players from across the energy value chain,alongside pioneers and disruptors,to present the technology and service solutions essential for driving change in solar and storage. Event Highlights:

How is electricity produced in Switzerland?

Today in Switzerland,approximately 53% of the electricity is produced by fully renewable hydroelectric power plants,36% is produced by nuclear power plants (with an average efficiency of 25% from heat to electricity),and the remaining 11% are obtained from biofuels (<5.7%),waste incineration (<2.7%),PVs,and wind turbines.

September 17-18, 2024, Trade Fair Hall 5& 6 Zurich, Switzerland. Solar & Storage Live Zurich is now open! We decided that due to the increasing demand in Europe it was time to create a new, innovative, and exciting renewable energy exhibit. This exhibition will celebrate the technologies that are at the forefront of a transition to a smarter ...

Following the success of the inaugural Solar & Storage Live Zurich, we invite you to join us in 2025 as we spearhead the revolution towards a brighter, greener future! Our mission is to accelerate the adoption of solar energy propelling us ...

Our photovoltaic (PV) solar racking equipment is best-in-class, ranging from in-ground fixed-tilt and single-axis tracker mounts to roof and carport mounts. We also offer project management capabilities designed to serve project ...

"Solar & Storage Live" is an international trade fair specializing in solar PV, storage, and complementary technologies, organized annually by Terrapinn Holdings Ltd. at Messe Z#252;rich in Switzerland. The event holds significant ...
