GreenCoin Solar, Pretoria, South Africa. 892 likes & 92 talking about this. We provide sustainable power solutions to keep your lights on and save on electricity costs.

We had an 8 Kw Deye inverter with 14 solar panels and 3 Dyness batteries installed through Greencoin Solar. The installation was exceptionally neatly done and the system has been working perfectly for almost a year now, performing optimally during the load shedding crisis a few months ago. Great service from a very professional team.
