

Die Produkte und Leistungen von M-TEC sind ein komplettes System für die Stromerzeugung und das Strommanagement aus einer Hand. Modulare und flexible Komplettsysteme Optionale Leistung mit eigenem Energiemanagement

Energy-Charger is one of the most CO2-optimised wallboxes on the market. The modular design ensures future-proofing: upgrades or possible repairs can be carried out particularly easily. The Energy Charger is easy to install and operate. Both models can be connected directly to the M-TEC E-Smart energy management system via a network.

M-TEC stellt die neue E-SMART-APP vor: Intuitives Energiemanagement leicht gemacht NEUER M-TEC ENERGY BUTLER GEN3 2.0 BATTERIESPEICHER AB JETZT VERFÜGBAR NEUE M-TEC-MODELLE ECO UND BOOSTER-WÄRMEPUMPE

Use our experience and know-how from 50 years to develop sustainable energy concepts. Our mission is the independence of people in the energy supply of their own home through heat pumps, photovoltaics, storage and e-mobility, controlled by our innovative management system.
