The Battery is surrounded by distinctive landmarks and points of interest. Over towards the right edge of the Battery stands an enormous cannon which took fifteen or so men, to load, fire, clean, and reload. It looks down on the ocean and carried immense firepower - and while it was never fired in earnest, its intentions were ominous.

Great Head Battery, also known as St. David's Battery, can be found at the eastern-most point of St. George's parish in St. David's Island. Built in 1910, it spans 24 acres and includes the beautiful Great Head Park.
