

Moltech power systems Estonia

Moltech Power Systems provides integrated rechargeable power solutions for today's demanding portable devices. We offer our customers a powerful combination of advanced cell and battery ...

THE Chinese Government yesterday made a groundbreaking move into American manufacturing with the acquisition of Moltech Power Systems, a bankrupt battery-maker from Florida. The negotiations, however, were as unconventional as the deal itself as they were undertaken in part by Christopher Higgins, a 14-year-old schoolboy who is the son of Marty ...
