

How many Palestinians live in Area C?

Today, some 150,000 Palestinians live in Area C, where they face severe restrictions on planning, building and access to natural resources. It is estimated that more than 300,000 Jewish-Israeli settlers also live in Area C, in clear violation of international law.

What are Palestinians doing in Area C?

Palestinians living in Area C are trying to resist the demolition of their homes and the confiscation of their lands. They are also forced to fight for their basic needs, like access to clean water.

How does Israel's Policy in Area C affect Palestinians?

However, Israel's policies in Area C also impact Palestinians from other areas who own land in Area C, or Area B residents who are encircled by Area C, and, more generally, the entire West Bank population which face territorial interruption and severe restrictions on access and development.

Where is Palestine located?

Palestine, [i] officially the State of Palestine, [ii] [e] is a country in the southern Levant region of West Asia recognized by 146 out of 193 UN member states.

Is Palestine a state or a country?

The 1968 Palestinian National Covenant described Palestine as the "homeland of the Arab Palestinian people", with "the boundaries it had during the British Mandate". However, since the 1988 Palestinian Declaration of Independence, the term State of Palestine refers only to the West Bank and the Gaza Strip.

What is the Palestine Chronicle?

The Palestine Chronicle is a 501 (c)3 non-profit organization whose mission is to educate the general public by providing a forum that strives to highlight issues of relevance to human rights, national struggles, freedom and democracy in the form of daily news, commentary, features, book reviews, photos, art, and more.
