

Papua New Guinea eclectic energy d400

Why should you choose eclectic Energy Ltd for your D400?

A combination of the advanced air blade and alternator design delivers unparalleled efficiency in low wind speeds together with the ability to produce sustained high outputs in high winds. Eclectic Energy Ltd's attention to design and quality should ensure your D400 gives years of trouble-free service.

Does eclectic Energy Ltd offer trouble-free service?

Eclectic Energy Ltd's attention to design and quality should ensure your D400 gives years of trouble-free service. Please feel free to contact us if you require additional advice or guidance.

Does eclectic energy ship internationally?

At Eclectic Energy we ship everyday from the United Kingdom to the destinations around the world. We accept all major debit/credit cards and paypal. The assembly instructions were clear and user friendly. Certainly laying the whole unit out on the floor and carrying a pre-fit of all parts was a good idea.

Features of the D400 Ideal for mounting on boats or buildings Virtually silent and vibration free in operation
High efficient and productive at all wind speeds

Thank you for purchasing the D400 Wind Generator, designed and manufactured by Eclectic Energy Limited. The D400 is one of the most efficient, powerful and well-engineered turbines currently available.

o The D400 features a powerful 3-phase alter-nator, and computer-designed rotor blades optimised for low speed, user-friendly operation. This innovative machine is extremely efficient in low wind speeds, yet is capable of sustained high power outputs of up to 500 watts in higher winds. o It is small and light enough to be easily

Thank you for purchasing the D400 Wind Generator, designed and manufactured by Eclectic Energy Limited. The D400 is one of the most efficient, powerful and well-engineered turbines ...

The D400 is extremely efficient by design, making it the most powerful and productive wind generator of its rotor size currently available. The D400 has been developed specifically to operate in close proximity to people.

The D400 is a new direct drive wind generator, designed for a variety of marine, rooftop or terrestrial applications. The D400 is available in white, or low visibility black as the StealthGen. Ideal for mounting on buildings or boats.

Eclectic Energy D 400 Wind Generator 24V available to buy online, shipped anywhere in Australia. View full specs, features, buying guides and more here. Zip & AfterPay available
