

# Poland bord gais energy solar panels

Who is Bord Gáis Energy?

Bord Gáis Energy is already involved in the solar panels market and it wants to install a further 10,000 solar panels across the State over the next five years. BGE currently supplies solar panels to the residential, commercial and farming sectors.

Are solar panels a good idea for Irish farmers?

Bord Gáis Energy and the Irish Farmer's Association (IFA) have partnered to offer solar solutions to Irish farmers. Installing solar photovoltaic (PV) panels will not only reduce your electricity bills, but also your dependency on fossil fuels and carbon footprint. Your bespoke solution will be designed to ensure:
