What's happening at Knobelsdorff?

Goodhue Community, All of us at Knobelsdorff are overwhelmed by the support from the Goodhue community last week, that we decided to continue relief efforts this week! This weekend, KE individuals began their travels to North Carolina to assist in Hurricane Relief efforts, with the remaining employees traveling early this week.

Digital systems are foundational in today's business environment and can provide competitive advantages when properly used. However, their failure can also damage companies and disrupt society. Digital system complexity and related cybersecurity challenges are only growing with the addition of artificial intelligence (AI) to the business landscape.
