

Fenix started selling ReadyPay on the pay-to-own model in 2014 and by the end of the year, it had sold over 13,000 ReadyPay Solar systems in Uganda. Under the MECS Market Validation grant, in 2014, Fenix and MTN Uganda integrated PAYGO into the ReadyPay Solar system to enable customers to get flexible financing..

To scale the platform, Fenix developed ReadyPay Solar, a mobile payment-enabled solar system, which empowered off-grid residents with convenient, affordable access to clean electricity. Fenix partnered with telecom operator MTN Uganda and used its mobile infrastructure to reach potential customers in the country.

The new product known as the ReadyPay Power System, is available on a Pay As You Go basis using MTN Mobile Money and works like a phone top-up to enable the user to make affordable and flexible payments according to their budget. ReadyPay kits start from Ush 40,000, including 7 days of power.

ReadyPay is a solar home system that enables the customer to get off of old lining technology like kerosene, candles, or d cell batteries and move on to use a clean reliable lighting source and phone charging source.

Fenix International: ReadyPay Solar Home System In Africa, more than 80 percent of households lack access to energy. The lack of light and power is a roadblock to economic and societal development, limiting the ability to work, ...

Fenix ReadyPay Solar largely displaces carbon-intensive sources of energy: ReadyPay owners showed a strong shift away from unhealthy sources of lighting. Those using kerosene, car batteries and candles dropped from 66% to 10%, 14% to 6% and 10% to 4% respectively. Further, ReadyPay Solar eliminates the time and cost associated with travelling ...

Lyndsay Handler, CEO of Fenix International, said: "ReadyPay Solar Power System is now providing power for lights, phone charging, satellite TV and more to over 150,000 people in off-grid Zambian households. The impact on our customers and their communities is transformational: household income is boosted; families are safe from dangerous and ...
