

Saint Lucia dsg power systems inc

Who is DSG power systems?

DSG Power Systems is your go-to for diesel parts and service. Whether you're running a Super Duty truck, a CATERPILLAR bulldozer, or anything in between, our expertise ensures top-notch support. We're known for our reliable diesel engine services in Saskatoon, catering to diverse industries with precision and care.

What is DSG fuel science?

DSG Fuel Science combines 21st century knowledge with 3rd generation technology. Smart operators, who understand modern diesel issues, demand the best performance and cost effective solutions, know the importance of using fuel additives.

Does DSG offer winter diesel additive?

Our 4+ winter diesel additive supplier solutions are designed to prevent fuel gelling and enhance cold weather performance. Trust DSG for the best diesel treatment for winter in Canada, keeping your engines running reliably through the coldest months. Combat freezing temperatures with DSG's specialized shop cold weather diesel additive.

Who is DSG & 4+?

For people who operate all types of diesel, natural gas machinery and generator sets, the DSG and 4+ brands promise premium products and repair services. Since 1983, our obsession with happy customers has driven us towards innovative solutions to make your life easier. In short, we have your back!
