

Solar photovoltaic panel cost subsidy

What grants are available for solar panels in the UK?

Solar-specific grant schemes in the UK include the following: There are currently three government grants available to help with the upfront costs of solar panel installation: ECO4: Funding for energy-efficient retrofits to fuel-poor households, or ones with occupants on certain benefits.

Do government grants cover solar panels?

The grants cover up to 100% of the costs of eligible measures. Eligible applicants include central government departments, local authorities, and other public sector organisations. In the decision, several government grants are available in the UK to help cover the cost of solar panel installation.

Can I get funding for a solar PV system?

Funding for solar PV systems is only available if applied as part of a package that includes a heat pump, solar PV, and an energy storage system. You can get a maximum funding amount of up to £6,000 to install solar panels, which includes a grant of £1,250 plus an optional loan of £4,750.

How do I qualify for free solar panels in the UK?

You may qualify for free solar panels if you're eligible for one of the UK's four main grants. However, two of these grants are only available in England, one can only be accessed in Wales, and all of them come with stringent qualifying criteria that target the most deprived households.

Can a ECO4 grant deliver free solar panels?

The ECO4 grant can deliver free solar panels, though the amount awarded depends on eligibility and specific circumstances. In some cases, the grant has covered the cost of multiple energy upgrades costing over £80,000, according to Kevin Henney, Director at ECO4 Hub.

What happens if a UK solar panel grant expires?

Several UK solar panels grants have recently expired. In most cases, the schemes had fixed durations or budgetary limits - once a certain date was reached or the available funding ran out, the grant was closed to new applicants. The following are some examples of recently expired schemes:
