

We have secured a contract for delivery of a 5MW/5.6MWh Battery Energy Storage Solution (BESS) project in Saudi Arabia. The system will provide backup power in the event of grid power failure. The delivery also includes an energy management system that will enable future optimization of the power plant in the Red Sea.

Warum mit SWS zusammenarbeiten? Qualität und Innovation sind die Schlüsselemente unseres Erfolgs. Als leistungsstarker Technologiepartner mit einer Gruppe von Experten aus verschiedenen Bereichen der Logistik treiben wir eine nachhaltige & ökologische Entwicklung voran und bieten 100% umweltfreundliche Lösungen für K&hltransporte an.

GE's Grid Solutions had secured an Independent Water & Power (IWP) Bulk Supply Joint Project from Rabigh-Three Company, the co-owner and operator of Rabigh-3 IWP plant.

As a powerful technology partner with a group of experts from different areas of logistics, we drive sustainable ecological development and offer 100% environmentally friendly solutions for ...
