Delta Outdoor ECO Cooling Enclosure fulfills the client's cooling requirements by providing equipment heat dissipation of 6060W for environment temperature ranging from -40°C to +50°C. It helps reducing 80% power consumption compared to Air-Conditioner and removing one cabinet- save 50% floor space.

Explore A Wide Range of Storage Sheds in Thailand. Storage sheds are essential outdoor structures for homeowners to keep their gardening tools, equipment, and other belongings safe and organized. Whether you have a large backyard or a small patio, a storage shed provides extra space for storing items that would otherwise clutter your living spaces.

Turn your balcony into a multi-storey garden with our versatile outdoor shelving units where you can grow, store and show things off outside or inside your own. Check out our wider range of Storage systems & units, Storage boxes and Waste bins & bags.
