

TÃ¼rkiye bryte batteries

Bryte Batteries has raised \$922K. Who are Bryte Batteries's investors? Bjørn Simonsen, Mp Pensjon, Terje Osmundsen, Thomas Wikberg, and TRK Group are 5 of 6 investors who have invested in Bryte Batteries.

09 October 2023: In January 2023, FBE joined Batteries Europe, a European Technology & Innovation Platform dedicated to advancing Research and Innovation initiatives on batteries. This partnership aims to expedite the development of a highly competitive European battery industry.

Bryte AS is working for a future where everyone, both in and outside of Norway, has access to clean, affordable, and renewable energy. Large-scale batteries can be used to overcome challenges with weather conditions, as well as outdated and undersized power grids, but current batteries are expensive and resource-intensive.
