

# Vertical liquid storage tank Vanuatu

What is a vertical storage tank?

These plastic vertical storage tanks feature tie-down slots, centered & offset self-vented lids. All of our tanks carry full 3 year manufacturer warranty. All vertical storage tanks are made using virgin FDA approved resin for potable water storage.

Who makes vertical storage tanks?

Vertical storage tanks are produced by a number of manufacturers, which includes Norwesco, Ace Roto-Mold, Duracast, Snyder, and Poly-Mart. These seamless tanks are formed by rotationally molding high-density virgin polyethylene resin. Because they are made from plastic, the tanks have a natural resistance to rust, corrosion, and impact.

How many gallons can a polyethylene Vertical Tank hold?

Polyethylene vertical tanks are available in a vast assortment of dimensions and storage capacities ranging from 10 gallons up to 20,000 gallons. All vertical storage tanks come with a 3- year manufacturer's warranty. Norwesco tanks with a 1.9 specific gravity come with a 5 year manufacturer's warranty.

What types of storage tanks are available at tank Mart?

Tank Mart's Plastic and polyethylene vertical storage tanks are extremely versatile tanks and are most often used for the bulk storage of water, liquid fertilizer, bleach, chemical, industrial, soap, feed, and all other types of liquid storage. These plastic vertical storage tanks feature tie-down slots, centered & offset self-vented lids.

Are polyethylene Vertical Tanks FDA approved?

All but yellow tanks are FDA Approved to store potable water and can be used for food-grade purposes. Polyethylene vertical tanks are available in a vast assortment of dimensions and storage capacities ranging from 10 gallons up to 20,000 gallons. All vertical storage tanks come with a 3- year manufacturer's warranty.

Does national tank outlet offer a vertical storage tank?

National Tank Outlet offers customizations such as additional fittings, ladders, external fill lines, internal lines, tie-down systems, welded flanges, and welded couplings to the vertical storage tanks upon request. We also offer vertical storage tanks in Crosslink ( XLPE ) plastic. A majority of our tanks are NSF 61 approved.
